LOVES Barry — LOVES EUGENE — LOVES CATTER

To one of the most sweetest girls I've ever known in my life. Just in the short time I've known you I feel like I've known you all my life. I hope we'll always be friends. I can't say how I feel about you + your family. I'm so excited about coming to Texas. But it's very sad that I won't be with you + Kenneth for good. I wish you all the very much. I know that I will be here for the world. I'll always remember you. I'll be back to do. You will make some guy a very happy person. Be good + stay the way you are. I love you very much

Bettyl,

Where should I begin. There are so many things that have happened to us. Happy and Dad. We've grown alot together. You have meant so much to me and my life and I could never tell you how much. It's undescribable! You have a terrific personality and [redacted] you are beautiful. I am so happy to know I have a friend like you. I can always turn to you. I can always depend on you. I hope you will always depend on me. (And we have shared alot of things with you) Ha Ha! I hope we will always be friends. I don't think anything can destroy the friendship and love and closeness that we have built. There are alot of things I want to say in here but people might laugh if I put some things in here. Don't you agree. Now, when you write in my annual I want you to write a whole page. Na, I'm only kidding you don't have to if you don't want to. Bettyl I wish I could tell you how much I've grown to love you but I can't express how I feel. Do you remember that night after the Inglenook game? How could we ever forget it. (2:30 o'clock) Ha! Do you remember Algebra I? HA HA HA!!! We had such a fantastic time in there. Making Mrs. Johnson furious. Well, I could say so much more about all of our funny times,

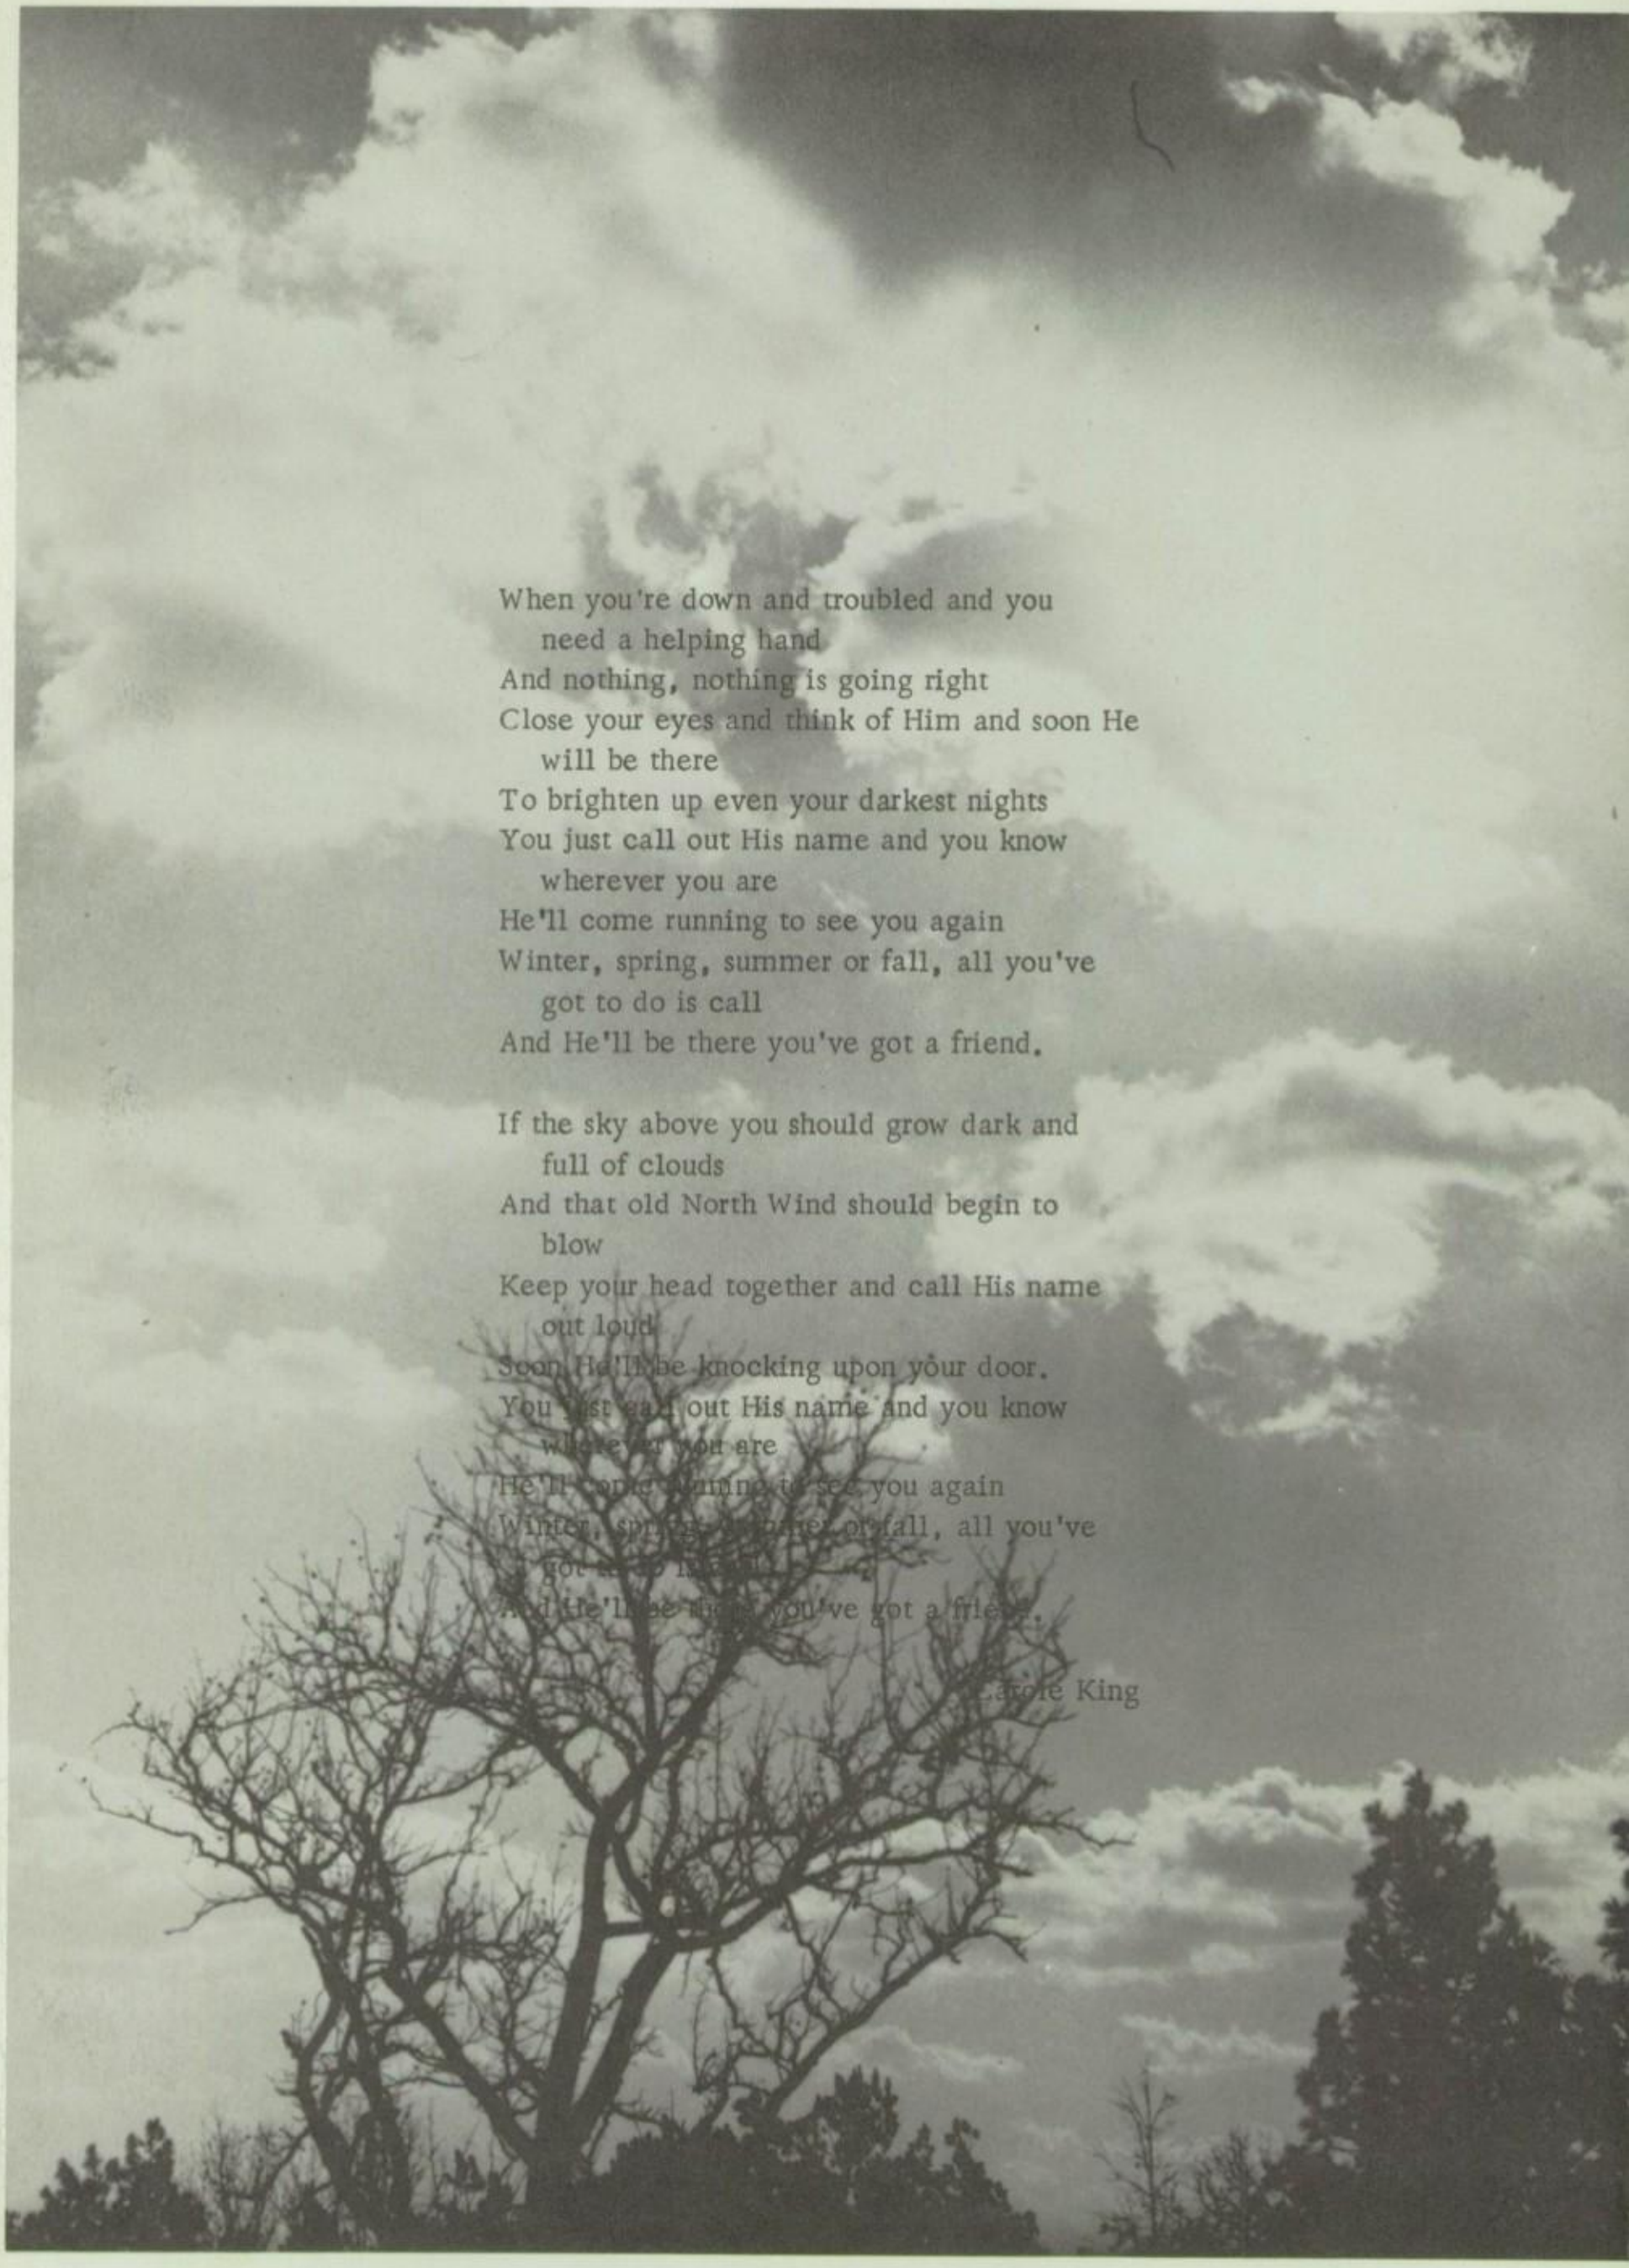
FAITH SCHOOL #1

Faith! What an intriguing word . . . fathomless in depth, yet understandable in Christ. This was the way our School began and this is the method of our progress connected with spiritual work.

It takes faith in the Changeless Christ to live by the Word of God in a constantly changing society. The purpose in the founding of Faith School was Bible-adhered-to education which develops the whole man: spirit, body, mind, and soul. A child taught by Christian teachers and surrounded by Godly influence will have greater opportunity to accomplish his or her God-ordained purpose. We promise, by the Grace of God, never to lose sight of this purpose.



When you're down and troubled and you
need a helping hand
And nothing, nothing is going right
Close your eyes and think of Him and soon He
will be there
To brighten up even your darkest nights
You just call out His name and you know
wherever you are
He'll come running to see you again
Winter, spring, summer or fall, all you've
got to do is call
And He'll be there you've got a friend.

If the sky above you should grow dark and
full of clouds
And that old North Wind should begin to
blow
Keep your head together and call His name
out loud
Soon He'll be knocking upon your door.
You just call out His name and you know
wherever you are
He'll come running to see you again
Winter, spring, summer or fall, all you've
got to do is call
And He'll be there you've got a friend.

Carole King

I hope the day will be a lighter highway
for friends are found on every road.
Can you ever think of any better way
for the lost and weary travelers to go?

Making friends for the world to see,
let the people know you've got what you need.
With a friend at hand you will see the light,
if your friends are there then everything's all right.

It seems to me a crime that we
should age,
these fragile times should never
pass us by.
A time you never can or shall
erase,
as friends together watch their
childhoods fly.

Making friends for the world to
see,
let the people know you got what
you need.
With a friend at hand you will
see the light,
if your friends are there -
then everything's all right.

- Elton John

We, the Annual Staff, felt it more appropriate to show the product of years of hard work rather than to give glory to the producers. The board has given to us this beautiful school of which we are very proud. We pray that the work accomplished here will always be to the glory of GOD.

"Hurrah for the Class of '76"

Betty June,

What do you say to your best friend? We have really had some great times in the years we've known each other and we have had friends all through it! I knew that I could always count on you when I needed a shoulder to cry on because you're always there when I need you. I hope you feel the same way. Just you wait 'till next year! It will be really great when we graduate and we can have all our good times together. But you have to watch out for [redacted]! But you really get around. But it's because you're so pretty and sweet and [redacted] you. I wish the best of luck to everyone could possibly have. and I hope that God blesses you always with the best of everything. Remember I love you alot and I'll always be your friend. Also remember to knock 'em dead cause you've got the power to do it!! S.A.!!! Hang on in there, Baby!

Keep the Faith
